2. Students entering with Advanced Placement Credit and/or who attend summer school may complete their Bachelor's degree in the Junior year.
3. Students must complete at least 12 of their graduate credits while in graduate status.
4. During years 1-3 (or approximately 0-90 credits) students will be taking undergraduate coursework and charged at the undergraduate rate.
5. Once admitted to AMP, during the senior (or transition year), students may take up to 12 units of graduate coursework which may apply toward both the Bachelor's and the Master's degrees. Students will be charged at the undergraduate rate and retain eligibility for undergraduate scholarships.
6. Students classified as seniors who have not yet completed a bachelor's degree may enroll in 500-level courses following the Graduate Credit for Seniors Policy. Courses numbered at the 600, 700 and 900 levels are not open to undergraduates.
7. After completion of all Bachelors' requirements, students will be granted graduate status, be charged at the graduate rate, and be eligible for graduate assistantships. The student won't be eligible to graduate nor will they be eligible for assistantships until all Bachelors' requirements are completed. While an undergraduate, students are required to keep their graduate coursework cumulative GPA at 3.0, or higher if required by the graduate degree offering unit, to be admitted to the Master's program.

8. Should a student have completed 12 graduate credits, but not yet completed the undergraduate degree, they will be considered graduate for financial aid and tuition purposes and coded as 'graduate' in UAccess. They will no longer be eligible for undergraduate scholarships, nor will they be eligible for graduate assistantships.
9. At least 12 graduate credits must be taken while in graduate status, after completing all degree requirements for the Bachelor's.
10. Students should be encouraged to complete their undergraduate requirements as soon as possible, but not later than one semester before receiving their Master's degree. Students finishing their undergraduate requirements later than one semester before receiving their Master's degree will no longer be eligible for undergraduate scholarships, nor will they be eligible for graduate assistantships. Neither degree will be awarded until the undergraduate requirements are completed along with the Master's requirements.
