

KATHRYN ANNE GOVERNAL AWARD FOR PERSEVERANCE

Department of Communication

Do you have a friend or know of a classmate who is a Communication major, will be graduating in May and feel he or she has truly persevered through their undergraduate experience at the University of Arizona? The Kathryn Anne Governal Perseverance Award is a special scholarship, which is NOT based on GPA but on true perseverance! We invite you to nominate someone you feel truly embodies this award. Please see the following criteria, as it is uniquely different.

ELIGIBILITY

1. Demonstrates the most ability to persevere AND graduate while overcoming personal, economic, physical, emotional and/or educational obstacles throughout their UA career*
2. Must be a Communication major
3. Must be an undergraduate
4. Must be graduating in spring

Because of the possible sensitive and personal nature of circumstances which may surround a nominee, please discuss your thoughts first with the person you intend to nominate. The nominee must agree to the nomination and possible details that may be disclosed about them.

The student who is chosen for this award will receive a small monetary scholarship and personal plaque. Both will be presented at the SBS commencement ceremony by the Communication Department Head. The recipient will also have his or her name engraved on the large plaque located on the second floor of the Communication building to be honored for years to come!

If you wish to nominate a deserving student for the Kathryn Anne Governal Award, please write a letter of nomination, explaining why you feel this person is deserving of this award. Please include specifics and examples of the obstacles they have endured. The letter of nomination should be emailed **no later than March 15th at midnight** to: Kathryn Anne Governal Selection Committee, ATTN: Dr. Kyle Tusing at kjt@email.arizona.edu.

If you have inquiries regarding the above, please email Dr. Kyle Tusing at kjt@email.arizona.edu.
